

## **<Notice of Acquisition of JIS Q 9100 Certification>**

We are pleased to announce that Challenge Co., Ltd. (Head office: 679-1 Negishi, Sayama City, Saitama Prefecture; President: Hisashi Tatsumi), has obtained JIS Q 9100 certification for quality management systems in the aerospace and defense industries, as of July 11, 2025.

Having acquired this certification, we will work on providing even more innovative products and services that meet our customers' satisfaction in the fields of aerospace, advanced industries, air mobility, drones, and more. We hope you will continue to favor us with your support and encouragement.
